Hon. Commissioner of Patents and Trademarks, Washington, D.C. 20231.

Sir,

Submitted herewith is a substitute specification written in proper idiomatic English and in compliance with 37 C.F.R. 152 (a and b) as required by the Examiner in the first office action, item 11.

Verified Statement(Declaration) for declaring  
Substitute Specification contains no new matter

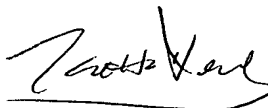

As the applicant and inventor of the above-identified patent application, I hereby declare that the substitute specification introduces no new matter into the disclosure of the invention.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that theses statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this verified statement is directed.

Hon. Commissioner of Patents and Trademarks, Washington, D.C. 20231.

Sir,

~~Submitted herewith is a substitute specification written in proper idiomatic English and in compliance with 37 C.F.R. 152 (a and b) as required by the Examiner in the first office action, item 11.~~

Submitted herewith is a copy of the original specification in which the changes found in the substitute specification is being indicated in red so that the Examiner can make comparison of the two easily. Please note that the amendment on the specification as proposed in my amendment proposals, dated Dec., 10, 97 (being entered by Examiner) and dated Jan., 07, 98 (will be submitted soon), is indicated in blue.

Please also noted that the phrases enclosed by red brackets ( and ) , are not part of the amendment, rather they are for indicating to which other part of the original specification an inserted phrase adjacent thereto is conforming.
